#### The harsh reality

The harsh reality is that one in five new drivers has a crash within six months to a year of passing their test.

That's why the Police and Crime Commissioner Jason Ablewhite has made raising standards on the roads a priority and why he is a big supporter of Drive iQ, as he explains in this short film.

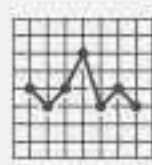

Jason Ablewhite  
Police and Crime Commissioner for Cambridgeshire

#### Causes of collisions injuring 16 - 24 year olds

2011/15 Cambridgeshire

Driver error/behaviour related factors are the biggest cause of collisions involving young drivers from Cambridgeshire and Peterborough
